

GLOBAL BIOENERGIES RECEIVES THE TECH40 LABEL FROM ALTERNEXT

Evry (France), April 28th, 2015 – Global Bioenergies (Alternext Paris : ALGBE) has been selected to be part of the new Tech40 label which highlights 40 high-tech companies listed on Alternext.

The list of the 40 companies that constitute the Tech40 label has been revealed on Monday April 27th, 2015 during a ceremony held at the Ministry of Economy and Industry. An expert committee has selected 40 highly performing companies which are now regrouped in a dedicated market index.

In the field of industrial biology, only two companies, including Global Bioenergies, have been selected.

François-Henri Sahakian, Chief Financial Officer of Global Bioenergies comments: "It is currently difficult to identify true innovations amongst the numerous new technologies under development. The Tech40 label will provide guidance to institutional and private investors as to which are the most promising companies."

About GLOBAL BIOENERGIES

Global Bioenergies is one of the few companies worldwide, and the only one in Europe, that is developing a process to convert renewable resources into hydrocarbons through fermentation. The Company initially focused its efforts on the production of isobutene, one of the most important petrochemical building blocks that can be converted into fuels, plastics, organic glass and elastomers. Global Bioenergies continues to improve the performances of its process, operates its industrial pilot and has begun the construction of its demo plant. The company also replicated its achievement to propylene and butadiene, two members of the gaseous olefins family, key molecules at the heart of petrochemical industry. Global Bioenergies is listed on Alternext, Euronext Paris (FR0011052257 – ALGBE).
